I have cleared CA-CPT and prepared for IPCC.

Professional Experience

Senior Web Designer, *ADAAN DIGITAL SOLUTIONS*
September 2021 – February 2024

- **Website Development:** Designed, developed, and maintained websites for clients across various industries, ensuring visually appealing and user-friendly designs.
- **Custom Design:** Utilized advanced tools to create highly customized, dynamic websites with animations, responsive layouts, and tailored user experiences.
- **Global Client Base:** Worked with multiple clients worldwide, including the UK, Canada, and other regions.
- **Content Management:** Collaborated with clients to manage content, integrate e-commerce solutions, and implement blog features.
- **Responsive Design:** Ensured all websites were mobile-responsive and optimized for various devices, offering seamless user experiences across platforms.
- **Client Consultation and Training:** Provided support and training to international clients, empowering them to manage and update their websites independently post-launch.
- **Collaboration:** Collaborating with cross-functional teams such as developers, content creators, and project managers to ensure timely project delivery.
- QA of websites, mentored and developed other designers within the organization.
- Achieved an on-time and error-free website till now with 100% SLA and got recognition multiple times for the best performer of the month.
- Designing of single, static & dynamic page websites using Wix CMS, Wix Studio, and Duda CMS.
